# Let's Clarify HUMAN CAPITAL

## Strategic Human Capital Management

is the systematic approach to developing and implementing strategies that enhance workforce capabilities, optimize organizational performance, and drive sustainable business results.

**Organizations that treat human capital as a strategic investment, not an expense, outperform their peers in profitability, innovation, and long-term sustainability.**

**HUMAN CAPITAL STRATEGY** is the integrated plan that aligns people practices, programs, and initiatives with an organization's mission, vision, values, and business objectives.

**WORKFORCE CAPABILITY** represents the collective knowledge, skills, experience, and behaviors that enable an organization to execute its strategy and achieve its goals.

**ORGANIZATIONAL PERFORMANCE** is the measured achievement of business objectives through the effective deployment and engagement of human capital.
